# Building Power - Inside/Outside

---

- **Indirect** – Technical advocacy and watchdog (i.e. comments on proposals, policies, mechanisms for funding windows, accreditation criteria)
- **Directly**– Engagement with accredited entities / NDAs to develop project proposals; potential for accreditation of women's & environmental funds
- **Paradigm**- Challenge flows going to/ not going into climate finance (i.e. MovetheMoney campaigning) OR Demand Alternatives (community financial structures, tax justice)

Thank You.
