News

Gender Equality in Climate Policy

Updates from UNFCCC: From May 16th to May 26th, the WEDO team joined over 1,500 observers to attend the 44th session of the UN Climate Change Negotiations in Bonn, Germany. [Read more.](#)

Sustainable Cities

Updates from Habitat III: From July 25th to July 27th, WEDO attended the last preparatory committee before the Habitat III Conference on Housing and Sustainable Urban Development where world leaders will meet to review the global urban agenda. As a lead partner of the World Urban Campaign, WEDO will work to highlight and support the contributions women bring to sustainable cities. [Read more.](#)

Sustainable Development Goals

Updates from the High-Level Political Forum: From July 11th to July 20th, WEDO attended the High-Level Political Forum, the U.N.'s key mechanism for tracking progress on the new Sustainable Development Goals. The Women's Major Group expressed grave concern that the HLPF failed to address key obstacles to the achievement of the SDGs. [Read more.](#)

Women's Global Call for Climate Justice

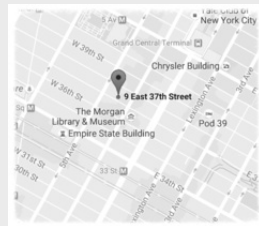

Updates from the Campaign: From climate justice marches in Cameroon and educational workshops in Brazil to national mobilizations in the Philippines and press conferences in Guatemala, women around the world are #BreakingFree and taking a stand against false solutions. [Read more.](#)

We've Moved!

After 20 years, the WEDO office has relocated to:

9 East 37th Street, 5th Floor, New York, NY, 10016

Stay tuned for more updates on the move and WEDO's archival process.

Views

Discussion Paper: Gender Equality Just Transition- *Majandra Rodriguez Acha*

How can we ensure implementation of the Paris agreement in a just and equitable manner, taking into account a feminist analysis of a "just transition" and promoting energy democracy? [Read more.](#)

Women Leaders & Feminism: Always a Match?- *Prachi Rao*

Women's political participation and leadership have improved at an alarmingly slow rate and women are still not at the table when critical decisions are made. What does true representation look like and how do we push for intersectional feminist leadership? [Read more.](#)

International Youth Day: Celebrating Milestones and Momentum- *Deanna Drenga*

A young activist's reflections on youth participation, women's rights and measuring progress towards collective goals for sustainable development. [Read more.](#)

Young Feminists For Climate Justice
If you missed the first "Feminism and Climate Justice" webinar organized by the Young Feminists for Climate Justice network, featuring Henia Belalia, Angela Bartolome and moderated by Renee Karunungan, you can watch it on [our website now](#).
- 

Fierce Feminist of the Month
Congratulations to WEDO Youth Ambassador, Latha Swamy, graduating with a Masters of Environmental Management from Yale University! Her incredible cap represents all her main interests (tropical forests, health, agriculture, and gender).
- 

COMING SOON! "WEDO LINKS"
WEDO is launching a new weekly newsletter rounding up the most pressing news and media linking women's rights, environment, and development. Along with the news, there will be clear calls to action, tweets and graphics you can share to join the movement to uphold human rights and protect our planet.

For more of WEDO's recent news, tools and reports as well as upcoming events click below or visit www.wedo.org
