Honoring Women's Leadership in Climate Change Decision-Making

Thursday, December 8th 2011

7:30pm-8:30pm

EU Pavilion II

Immediately follow the Global Gender and Climate Alliance (GGCA) Side Event "Gender and Climate Change: Actions, Results and Lessons Learned"; you are invited to attend a reception to honor women's leadership in climate change decision-making and highlight progress in advancing women's representation in the negotiations, particularly through the Women Delegates Fund (WDF).

Come join us for an evening of engaging conversation, networking and learning! To RSVP or for more information, contact bridget@wedo.org
